

ADDRESS CHANGE PROCEDURES

1. Change of address form will be mailed to your address on file. The USPS will forward this mail to you. Fill out change of address form and return to the credit union. We will change your address on file at credit union.
2. You may also come to the credit union to change your address. You must provide proof of your address change with an official document, drivers license, pay stub or paper billing statement. Then the credit union will change your address.
3. The credit union will accept a faxed or e-mailed written and signed request for an address change with copy of an official document; drivers license, pay stub or paper billing statement showing your change of address. Then the credit union will change your address.

The credit union will no longer accept verbal change of address requests.
